

# Ramble in the woods

***Join us to celebrate our ongoing commitment to Sherwood Forest and our determination to ensure its place in all our futures.***

**Sunday March 18, Sherwood Pines, 10.00am for 10.30am**

**Visitor centre postcode: NG21 9JL. Gather at the notice board adjacent to the main car park, midway to the café.**

**We will be having a relaxed, buggy-friendly, ramble of about 40 minutes' duration.**

We are calling the gathering to celebrate the first year of our campaigning to Save Sherwood Forest, and as close as possible to World Forest Day on 21 March, also to mark the one-year anniversary since we, the people, forced a government U-turn on their policy to sell off the public forest estate.

Entertaining interludes by poet-activist Dave Wood, members of the Clarion Choir and other musicians.
