INSECT EXHIBITION

Saturday 16th November

NOTTINGHAM TRENT UNIVERSITY

Brackenhurst Campus, 1100 – 1600

Southwell

(location NG25 0QF or SK 6946 5243)

This is the Society's annual exhibition and provides an opportunity to develop a wider interest and participate in the study of insects and other invertebrates

The exhibits and displays will include:

- **live & preserved insects**
- **overviews of studies and projects**
- **news of research and conservation**
- **entomological equipment**
- **photographs and powerpoint presentations**
- **books and CDs**

and

- **an opportunity to meet with other entomologists from the area who will be keen to advise and encourage your interest**

The college has catering facilities with hot & cold snacks and drinks

entrance and car parking FREE

access and WC for disabled
