

Ramble in the woods

2014

Join us to celebrate our ongoing commitment to Nottingham's Green Spaces, this year raising awareness of the need for better resourcing of Bestwood Country Park.

Saturday March 22, Bestwood Country Park

10.15am for 10.30am start

Bestwood Country Park postcode: NG6 8ZA

Meet at the outside the Dynamo House, next to the Winding Engine House, at Bestwood Village: Look for the banner.

We will be having a relaxed, buggy-friendly, ramble of about 40 minutes' duration. The community café in the Dynamo House will be open from 10am until 1pm.

Getting there by public transport

The 141 bus serves the village: the stop needed is the Park Road turning circle. There is a car park opposite the bus stop.

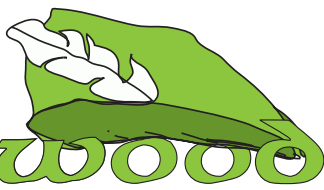

We want to encourage lift shares where possible.

If you are able to offer places in your vehicle or need a lift then please email sherwoodforestforever@gmail.com
